

Docket No.: <u>324-137</u>

REMARKS

The specification has been amended so it is consistent with the claimed subject matter.

Claims 1-11 have been replaced by claims 12-23 which are in U.S. format. Independent claim 11 is broader than independent claim 1 because claim 11 does not include the "downloading" requirement of claim 1. The downloading feature is in claim 12.

Respectfully submitted,
